## CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO THE FORMER LIBERIAN REGIME OF CHARLES TAYLOR—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 113-47)

The SPEAKER pro tempore laid before the House the following message

from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Foreign Affairs and ordered to be printed:

*To the Congress of the United States:*

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice to the *Federal Register* for publication stating that the national emergency and related measures dealing with the former Liberian regime of Charles Taylor are to continue in effect beyond July 22, 2013.

Although Liberia has made advances to promote democracy, and the Special Court for Sierra Leone recently convicted Charles Taylor for war crimes and crimes against humanity, the actions and policies of former Liberian President Charles Taylor and other persons, in particular their unlawful depletion of Liberian resources and their removal from Liberia and secret- ing of Liberian funds and property, could still challenge Liberia's efforts to strengthen its democracy and the orderly development of its political, administrative, and economic institutions and resources. These actions and policies continue to pose an unusual and extraordinary threat to the foreign policy of the United States. For this reason, I have determined that it is necessary to continue the national emergency with respect to the former Liberian regime of Charles Taylor.

BARACK OBAMA.  
THE WHITE HOUSE, July 17, 2013.

## FEDERAL AGRICULTURE REFORM AND RISK MANAGEMENT ACT

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Madam Speaker, last week, the House passed the Federal Agriculture Reform and Risk Management Act, or FARRM Act. Overall, the agriculture programs will save \$20 billion.

This package of farm bill programs will create a more cost-effective and market-oriented framework of agriculture policies and ensure that Americans continue to have a safe and affordable food supply.

This bill did not include title IV of the committee-passed legislation, which contained significant reforms to the Supplemental Nutritional Assistance Program, or food stamps, totaling an additional \$20 billion in savings. Contrary to popular belief, the current SNAP program was not affected by passage of last week's FARRM Act.
